DRAWINGS

The drawings are objected to under 37 CFR 1.83(a). The drawings must show every feature of the invention specified in the claims. Therefore, the first and second contacts and the contact rotary arm must be illustrated. None of the switch features are illustrated in the drawings but such structure is set forth in the claims must be shown or the feature(s) canceled from the claim(s). No new matter should be entered.

A proposed drawing correction or corrected drawings are required in reply to the Office action to avoid abandonment of the application. The objection to the drawings will not be held in abeyance.

CLAIMS

Claims 1-23 are objected to. Be consistent in the use of the words --the--and --said--. The word the should be used for the first recitation of a component or the like and the word --said--should be used for the second and subsequent recitation of the component or the like in the claims. Any other informalities applicants may become aware of should be corrected.
